PROFESSIONAL DEVELOPMENT TOPICS

VIRTUAL KICKOFF: SETTING THE VISION

In the spirit of collaborative practice, the first session will be dedicated to visionary thinking and planning. When school leaders collaborate, there can be an immense effect on the ultimate result: increased student achievement.

DAY ONE AND TWO: BECOMING AN INSTRUCTIONAL LEADER

After these sessions, principals will have a better understanding of what it means to be the instructional leader. Principals will finish the session by creating an action plan for themselves to become instructional leaders.

VIRTUAL SESSION: ENGAGING THE COMMUNITY

Participants will examine how leader's thinking might affect his or her leadership behaviors and how these beliefs impact the larger school community. Principals will learn how to create an environment where students are healthy, safe, engaged, supported, and challenged.

DAY THREE AND FOUR: BECOMING THE LEAD LEARNER

Participants will be introduced to the tools and strategies needed to create embedded professional learning that supports building capacity of all teachers. They will have opportunities to: create action plans, establishing best practices, aligning Curriculum/Instruction/Assessment, protocols, and practice giving feedback for positive change.

VIRTUAL SESSION: REFLECTIVE LEADERSHIP

Participants will learn about the meaning of reflective learner and complete a series of self-reflection questions. They will focus on how effective leadership requires continuous learning, and tools and strategies to encourage educators to be reflective in their own practice.

DAY FIVE: COMPLETING AN ACTION PLAN FOR FUTURE WORK

Participants will finish by establishing systems and structures that will support ongoing professional learning. Session will be dedicated to reflecting on the year - what worked and where is there room for growth? Principals will update action plans with series of steps for continuing work forward for capacity building.
